

core.x | Maximize Your ServiceNow Investment & Impact

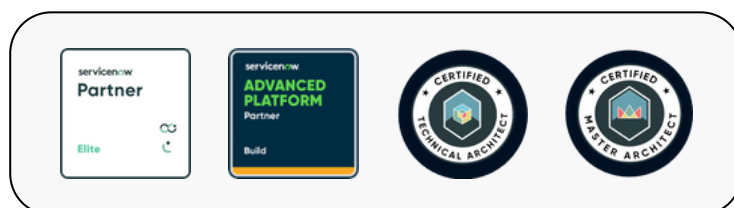

Driving measurable, business-focused transformation at every stage of your ServiceNow journey - from initial pilots to AI-powered innovation - to unlock maximum value from your technology investments.

WHO WE ARE

At CoreX, we **make the work of transformation achievable** - delivering real, lasting impact for every organization we support.

Our value lies at the intersection of **deep industry expertise, hands-on functional experience**, and **ServiceNow proficiency**. We understand the unique challenges businesses face because we've lived them.

As a trusted ServiceNow consultancy, we partner with clients to solve complex business problems, unlock hidden value in operations, and accelerate time-to-value. We don't just deliver quick wins; we lay the foundation for scalable, industry-specific transformation that drives long-term success.
